3. Kings Basin Update

- All GSPs and Coordination Agreement Submitted 1/28/2020

The following table lists all GSPs submitted to DWR, and includes the dates of submittal, posting, and the close of the official public comment period. Note that GSPs on this list with a submittal date but no posting or other dates are still being processed by DWR prior to posting. DWR is required to post GSPs within 20 days of submittal. DWR will notify the public when GSPs are posted using its SGMA listserv. To sign up for the listserv visit https://listserv.ce.cnra.ca.gov/scripts/wa.exe?SUBED1=DWR_SGMP&A=1. Also note that basins preparing multiple GSPs must load all of the plans and the coordination agreement before the GSPs will display as submitted on this list.

DWR's posting initiates a 75-day public comment period. More information about how to comment on a plan can be found in a new fact sheet available in [English](#) and [Spanish](#). Please note that a SGMA Portal account is not necessary to submit a public comment.
