Regular Board Meeting
May 22, 2025

NORTH KINGS GROUNDWATER SUSTAINABILITY AGENCY

AGENDA

Call to Order

1. Call to Order
2. Pledge of Allegiance
   - Remote Participation Instructions

NORTH KINGS GROUNDWATER SUSTAINABILITY AGENCY

NORTH KINGS GROUNDWATER SUSTAINABILITY AGENCY

Written and Verbal Comments

Members of the public are encouraged to participate in the Board Meeting and will have an opportunity to provide public comments during the meeting under Agenda Item No. 5 and following each agenda item discussion. No prior arrangements are required to be able to make public comment but comments are limited to three (3) minutes.

Written Comments can also be provided up to one hour prior to the scheduled meeting. Written comments received in advance of the meeting will be read onto the record during the public comment portion when the item is heard. Any portion of your comment extending past three (3) minutes may not be read aloud due to time restrictions but will be made part of the record of proceedings.

AGENDA

7.c Recommend Approval of the Proposed FY 2025-2026 Revised Budget

- Note:
  - Total Expenses: $1,804,100
  - Total Member Contributions: $1,716,397
  - Reserves is $179,410.00 (10% of expenses)
  - Other Income: $17,113.00

Income:

The North Kings GSA typically assesses each member agency for their portion of the budget based on the acreage in their service area as previously approved by the Board of Directors beginning February 1, 2020. The FY 2025-2026 budget is proposed to be $~~1,624,100~~1,804,100.00 in expenses plus $~~86,410~~179,410.00 in reserves with $1,~~443,397~~716,397.00 being generated from member agency participation amounts and $17,133.00 in other revenue. ~~.~~ It is expected that the remaining $250,000.00 will be taken from reserves from the initial year of funding for the domestic well mitigation program given minimal expenditures were incurred during FY 2024-2025. Funding for Year 2 of the domestic well mitigation program expenses was budgeted to be $1,000,000.00 with the administrative portion of the program, $250,000.00, being funded by the member agencies at their current participation percentages, $250,000.00 being covered by reserves and the remaining $500,000.00 being collected from City of Clovis, City of Fresno, Fresno County and Fresno Irrigation District, as described below.

Non-operating income is anticipated from the interested parties who were invoiced based on their acreage within the NKGSA boundary or a minimum of $250.00 in April 2025. Interested parties' voluntary contributions collected in FY 2024-2025 were applied to the FY 2025-2026 budget as discussed below.

CORRECTED VERSION

NORTH KINGS GROUNDWATER SUSTAINABILITY AGENCY

7c. Financial – FY 25-26 Proposed Budget

- Overall Income - $1,723,510
  - Interested Parties - $7,113.20
  - Member Assessments - $1,716,397.00
- Expenses
  - Kings Subbasin Coordination
  - Professional Services
  - Public Information/Public Affairs
  - Project Costs
    - Domestic Well Mitigation Program
    - Monitoring Network Improvements – Year 2
  - Staff Costs

- Recommendation
  - To approve the FY2025-2026 Proposed Budget including provision to allocate $250k from reserves to cover projected project expenses as recommended by the Advisory Committee and staff.

AGENDA

8. Administrative Matters:

a. Discussion/Possible Action on Board Meeting Minutes – April 24, 2025

b. Kings Subbasin Coordination Update (Samuelian)

NORTH KINGS GROUNDWATER SUSTAINABILITY AGENCY

Kings SubBasin Update

- DWR comments on Periodic Evaluation and Revised GSPs anticipated in December
- Domestic Well Mitigation Program ongoing
- Allocation Framework discussions continue
- Coordinated work on Interconnected Surface Water (ISW)
  - Working with Madera Basin GSAs, FWA, USBR, SJRRPRA.
- Considering Lobbyist consultation services

Water Conditions Report

CVP & San Joaquin River (as of May 20):

- Millerton Lake Storage: 455,000 AF
- SJR Release: ~560 cfs
- Friant-Kern Canal: ~1,600 cfs
- Madera Canal: 750 cfs
- Friant Class 1 – 100% (March 27)
  - 45% initial allocation, increased to 80% (March 14)
- Friant Class 2 – none (likely no change)

Water Conditions Report

Kings River as of May 20:

- Pine Flat Storage: 829,000 AF
- Pine Flat release: ~3,370 cfs
- Pre-Project: ~4,500 cfs (FID Entitlement: 1,450 cfs)
- FID Pine Flat Storage: 125,000 AF
- Total FID Div.: 1,350 cfs (Kings), 140 cfs (CVP), 0 cfs (BDC)

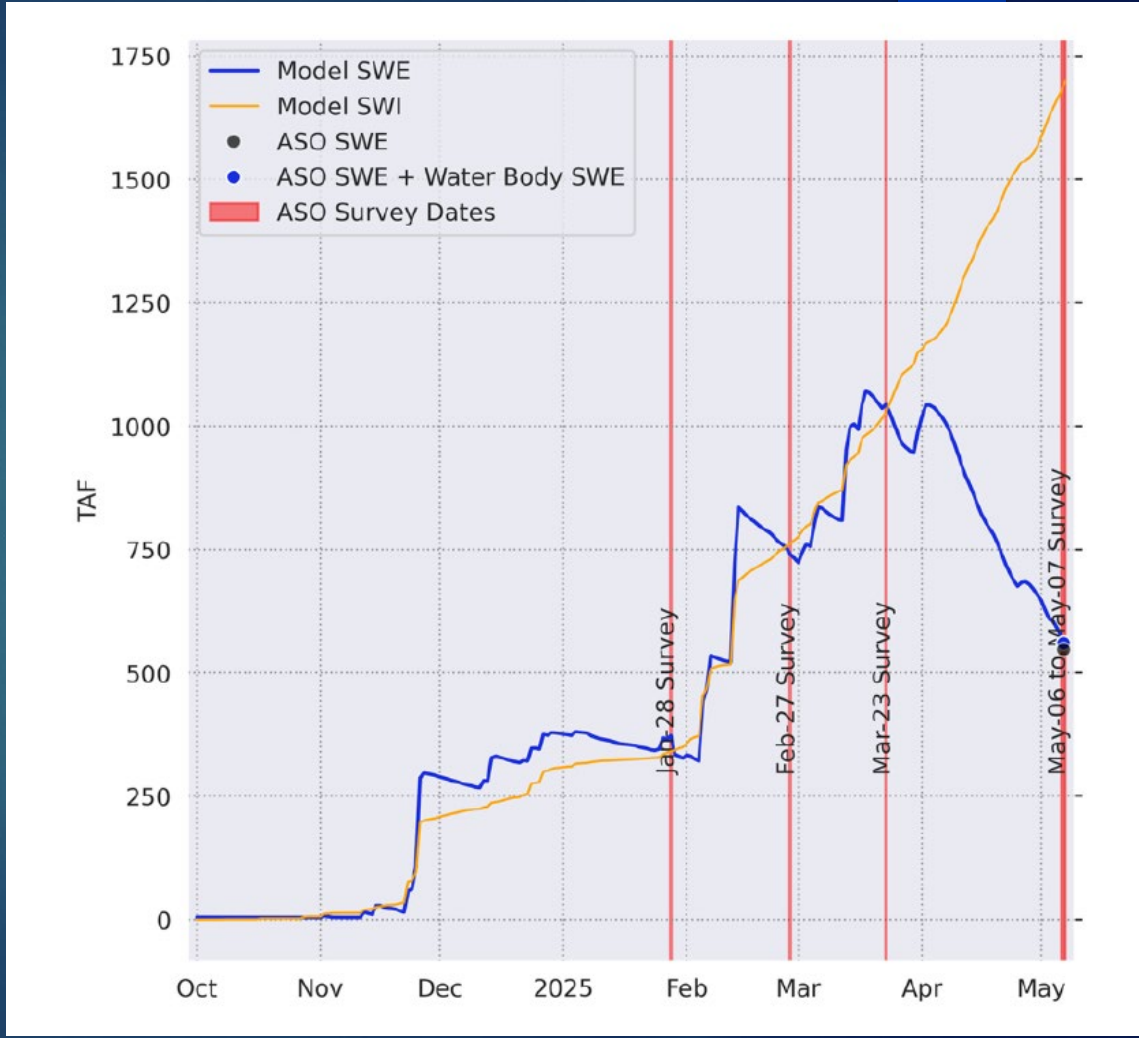
Southern Sierra below last year

Kings Snow Water Equivalent Volume (May 1 ASO)



Water Conditions Report

Kings River April-July Runoff Forecasts:

- Gradually decreasing due to no precip
- Dry April and May
- DWR B120: 76% of avg
- NOAA CNRFC: 77%
- W/O future precip, likely end up ~72-75%

May 1 KRWA Kings Snow Survey:

- 41% of May 1 avg (last year was 72%)

AGENDA

NORTH KINGS GROUNDWATER SUSTAINABILITY AGENCY

8. Administrative Matters

d. Advisory Committee Update (Chair Redelfs)

Recommended Actions:

- Approval of Financial Statements as of March 31, 2025
- Expense Reports for March 2025
- Approve Proposed FY 2025-2026 Budget

8.e . Well Registration Progress Update

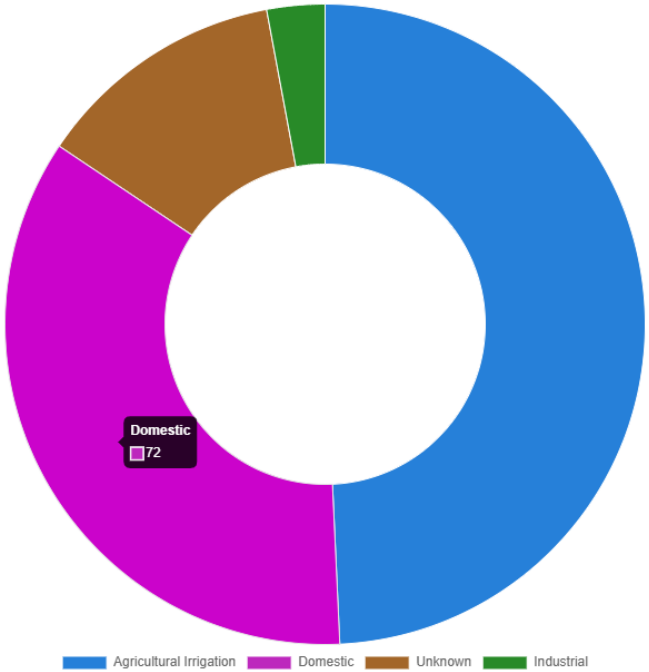
- To Date: 205 wells registered
- Required Effective May 1
- More than 8,000 wells within NKGSA
- Next Steps:
  - Large Landowner Meetings and Contacts
  - White Area Landowner Outreach
  - Individual Meetings

8.e . Well Registration Progress Update

Region: North Kings GSA

Date Range: Jan 01, 2020 to May 20, 2025

Well Types Distribution Chart



Well Types Distribution Table

Well Type	Count	Percentage	Distribution
Agricultural Irrigation	101	49.3%	
Domestic	72	35.1%	
Unknown	26	12.7%

9. b. Outreach/External Affairs

9. c. Representative Monitoring Network

9. d. Miscellaneous

AGENDA

NORTH KINGS GROUNDWATER SUSTAINABILITY AGENCY

9.a SGMA Implementation Projects

Kerman's Lions Park Recharge Project receives water from FID's Siskyou Canal – measured recharge.

AGENDA

9.a SGMA Implementation Projects

FID's Carter-Bybee Recharge Basin – 35 Acres – Nearing Completion

Carter-Bybee Recharge Basin

Developing additional water supply
for Fresno Irrigation District growers and residents

Project Highlights:

35 Acres

140 acre-feet
storage capacity

840 acre-feet
estimated annual recharge

Interties to FID's Herndon Canal No. 39
for streamlined basin use

Project Benefits:

- **Helps stabilize the groundwater table**, benefiting all who rely on wells for their water
- **Develops additional water supply** for growers' irrigation needs when surface water is scarce
- **Improves overall groundwater quality** by recharging the aquifer with high-quality surface water
- **Increases drinking water availability** during dry years for groundwater-dependent residents
- **Provides flood protection** to protect downstream communities
- **Supports compliance with the Sustainable Groundwater Management Act (SGMA)**
- **Provides habitat** for ducks, geese and other waterfowl
- **Improves overall delivery service** by helping regulate the system

Project Overview

The Carter-Bybee Recharge Basin is part of Fresno Irrigation District's (FID) initiative to develop 400 additional acres of groundwater recharge basins. The project consists of a 35-acre basin to capture surface water to recharge the groundwater aquifer. The addition of Carter-Bybee brings FID's total basin acreage to 980.

Construction on the project began in October 2024 and was completed in Spring 2025, marking a significant step toward FID's goal to expand its groundwater recharge capacity. The recharge basin will be used in wet years to capture as much floodwater as possible for groundwater recharge. Carter-Bybee Basin is located upstream of Biola Community Services District and will help stabilize groundwater levels for the community, nearby growers, and rural residents who rely on groundwater to help meet water supply needs.

Groundwater Sustainability

Recharge basins like Carter-Bybee play a critical role in replenishing our groundwater aquifer. Groundwater is a vital resource, serving a critical need when surface water is limited. By capturing surface water during wet years, the Carter-Bybee Basin helps develop additional water supply to rely on during drier years, while also improving local groundwater conditions.

Project Funding

This project received nearly $3 million in state and federal funding, covering majority of the project construction costs. The remaining costs were covered through assessment funds.

U.S. Bureau of Reclamation
WaterSMART Drought Resiliency Program Grant – $4,147,000

Department of Water Resources
SGMA Implementation Grant – $932,000

Fresno Irrigation District
cost share – $1,215,000

AGENDA

NORTH KINGS GROUNDWATER SUSTAINABILITY AGENCY

9.a SGMA Implementation Projects

- **Malaga County Water District and FMFCD – Basin CF Intertie Project**

9.b. Outreach and Engagement

- Joint News Release – Kerman, FID, NKGSA
  - Lions Park Recharge Project
  - California Ag Today Featured

https://californiaagtoday.com/first-ever-surface-water-flows-into-kermans-lions-park-basin-will-recharge-groundwater-supplies/

9b. Outreach and Education

- Social Media
- Website

- Speaking Engagements
  - May 7, 2025: The BIG Think – Realtors – Liquid Assets and Property Values
  - June 5, 2025: APWA Luncheon Meeting

The Big Think:

9c. Representative Monitoring Network

- Obtaining Easements for New Wells – 6
- Data Loggers – Purchased and Ready to Install
- Bids Received – Notice of Award Issued – May 22
  - Bid Opening Date – May 19
- Notice to Proceed to follow

Company	Base Bid	Alternate 1	Alternate 2	Alternate 3
ABC Liovin	$347,525	$66,825	$51,325	$49,825
Gregg Drilling	$271,907	$80,491	$55,611	$53,871
Arthur Orum Well Drilling	$162,475	$46,905	$37,175	$35,785

Notice of Award

9.d. Miscellaneous

- ACWA Spring 2025 Conference
- Proposition 4 Bond Funds
- Legislative Update
  - AB929 (Connolly) – OPPOSE – Exemptions from SGMA extraction fees – Wetlands and Small Community Water Systems
  - AB293 (Bennett) – OPPOSE – GSAs Required to Link Form 700's on Website
- SWRCB Probationary Process
  - Kern Basin – More Time
  - Chowchilla Basin – Return to DWR – No Probation

10. Adjourn

Next Meeting

June 26, 2025

Thank you for joining us for the NKGSA JPA Regular Board Meeting.
